39th European Research Area and Innovation Committee (ERAC) Plenary Meeting

Vienna, 2 July 2018

Dear Colleagues,

I have the great pleasure to invite you to the 39th European Research Area and Innovation Committee (ERAC) Plenary Meeting to be held in Salzburg on 17-18 September 2018. Please note that this will be a meeting at the level of Directors-General.

On Sunday, 16 September 2018, we look forward to welcoming you at a reception to enjoy food and drinks at the rooftop restaurant Seven Senses which offers a splendid view over the old town of Salzburg.

The official programme will begin on Monday, 17 September 2018. The meeting venue will be Salzburg Congress, where we will start with a first morning session. In the afternoon, a Salzburg high school will invite us for a discussion with students on the benefits of EU research and education programmes for young Europeans. Our evening dinner will take place at M32 on Mönchsberg. On Tuesday, 18 September 2018, we will continue with a second meeting session, followed by lunch. The official programme will end at around 14:00.

Enclosed please find the draft programme of the meeting, practical information, as well as the programme of the optional weekend tours. We kindly ask delegates to book their rooms as soon as possible in order to ensure availability of the pre-booked hotels.

I look forward to welcoming you in Salzburg.

Kind regards,

Barbara Weitgruber
