Horizontal Framework Conditions

Legislation:

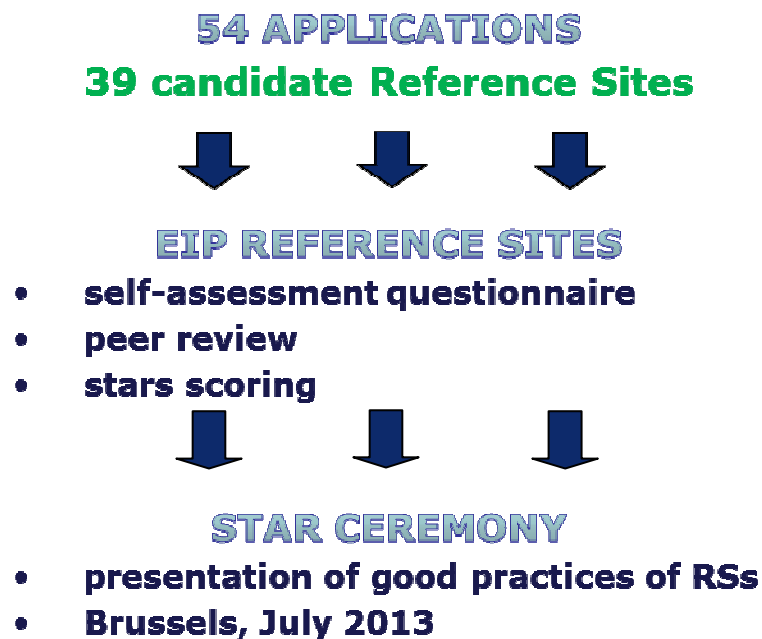

- data privacy, medical devices, clinical trials, standardisation/interoperability

Financial instruments and alignment:

- AAL, Horizon 2020, Public Health Programme, CIP, Structural Funds

EIP-AHA Reference Sites

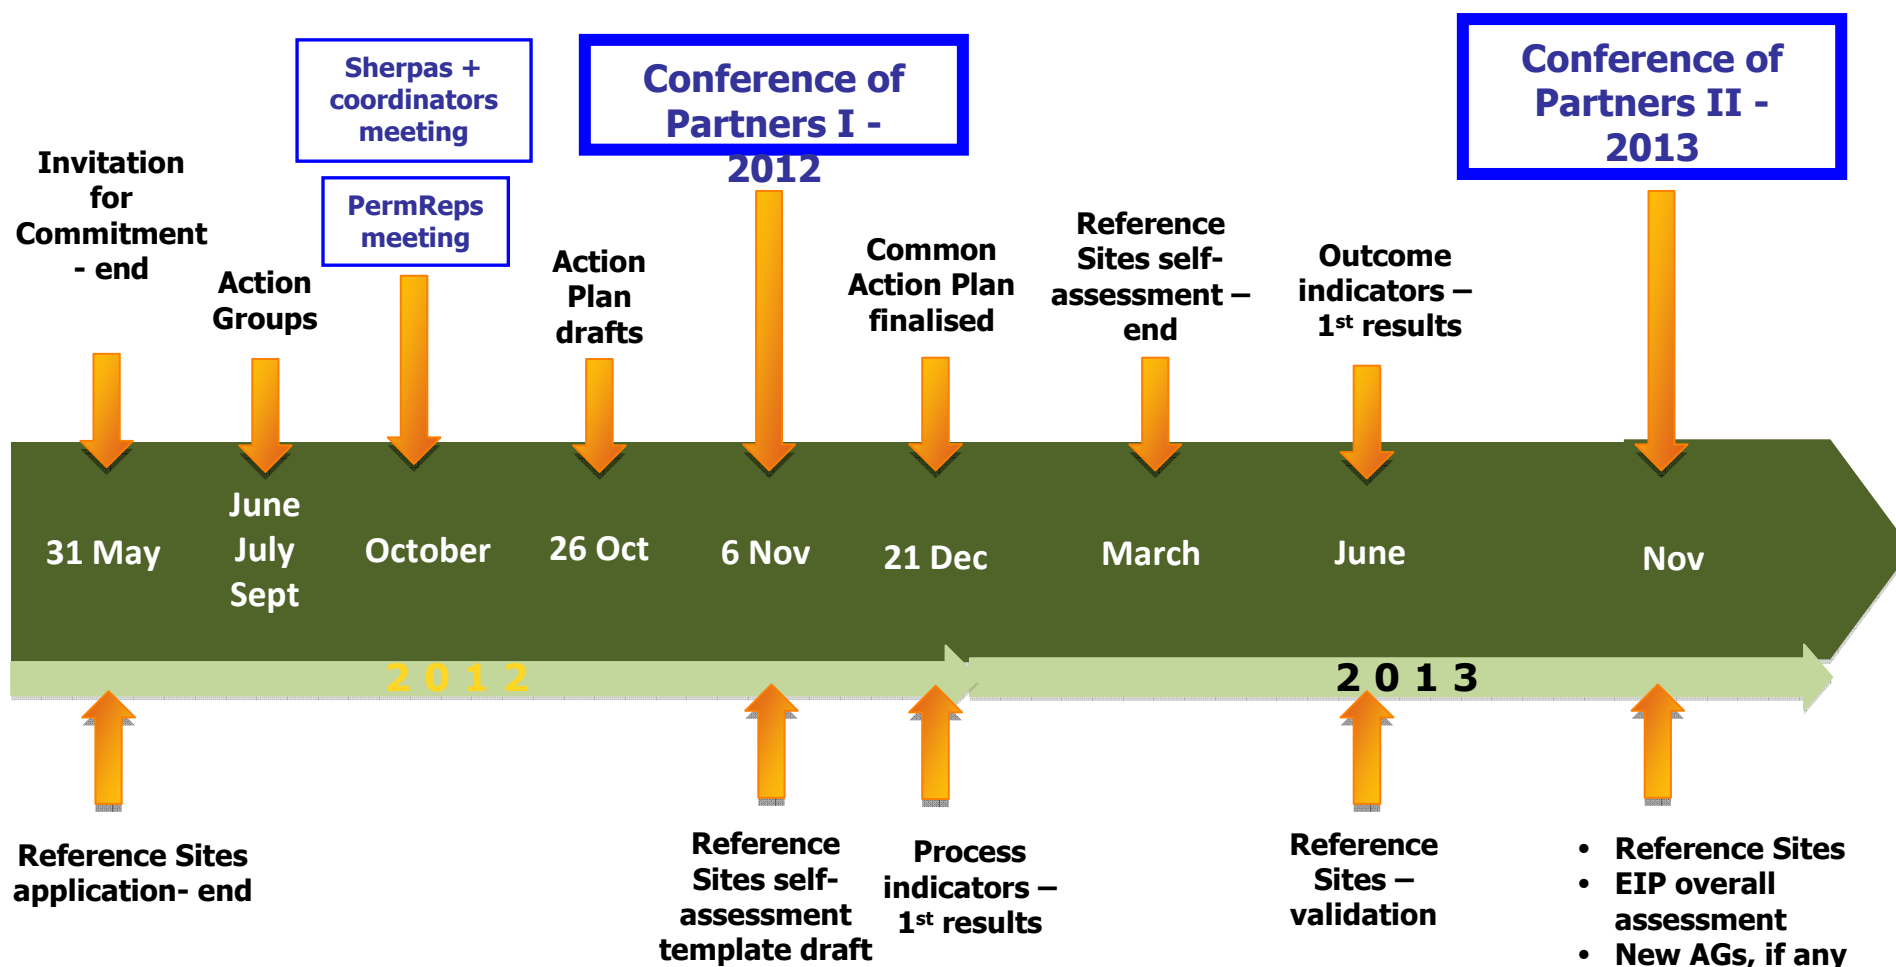

- excellent examples of **innovative and efficient good practice with real impact** on the ground
- **transferability and replicability** across Europe - when there is clear need for care systems modernisation
- dissemination of good practices – e.g. the coaching and training of other regions/care systems
- a tool to **reduce inequalities** in lagging behind regions in terms of health and care outcomes
