# ABOUT THE PLATFORM

- › Established in 2015 as a membership-based not-for-profit organisation
- › Membership is open to companies, academic institutions, research organisations and NGOs that are leading in the field of Industry 4.0

## FOUNDING MEMBERS:

- Austrian Federal Ministry for Transport, Innovation and Technology
- Austrian Federal Chamber of Labour
- Association for the Electrical and Electronics Industries
- Association of the Austrian Metaltechnology Industries
- Federation of Austrian Industries
- Austrian Manufacturing Workers Union

# INDUSTRY 4.0

- › The Platform considers Industry 4.0 a societal challenge that
  - can only be addressed by collaboration of industry, science, regional and national policy makers, associations, trade unions and NGOs
  - is driven by technology innovation, new business models, know-how transfer and a broad societally accepted deployment and implementation

# THE MISSION

- › To foster collaboration among all stakeholders
- › To find sustainable solutions to challenges faced by companies, research institutions and society as a whole
- › To secure and create highly innovative industrial production and thus strengthening Austria's future competitiveness
- › To sustain and create high-quality jobs
