### VOTING ARRANGEMENTS AND QUORUM

Members who are unable to participate in a meeting of the Forum may delegate their vote to another SFIC Member by notifying this fact in writing to the SFIC Secretariat before the meeting. Where a vote is taken, any SFIC Member may also act on behalf of not more than one other Member. Any minority views of the Members shall be recorded.
3. The presence of representatives of a simple majority of the SFIC Members is required to enable the SFIC Plenary to adopt a formal decision or opinion.
4. Decisions agreed by the Forum shall be implemented by Members and, as appropriate, by Observers, following the principle of variable geometry.
5. In urgent cases, opinions of the Forum may be adopted by means of a written procedure, by a simple majority of its Members. On the initiative of the Chair, the Forum may act by means of a simplified written procedure called 'silence procedure'<sup>2</sup>. Such written procedures shall be set in motion by the Secretariat. The time limit of written procedures shall be set out by the Chair according to the urgency of each case. The Secretariat shall establish that the written procedures have been completed.

---

<sup>1</sup> This provision emphasises that the main aim is to take decisions by consensus. Only when a vote will be requested, the majority rule will apply.

<sup>2</sup> In that case, the decision shall be deemed to be adopted at the end of the period laid down by the Chair depending on the urgency of the matter, except where a simple majority of the SFIC Members objects.
